

Mayors Ramblings

March 7, 2014

New Things are happening at Chugwater. With spring coming we are looking forward to our Rifle Range. We have received a \$25,000 Grant from the NRA to help put the rifle range in. We are currently looking for anyone in Chugwater who would like to be on the board for the rifle range to create the safety rules and to help be part of the building of the range. Anyone interested please contact the Chugwater Town Hall and put your name on the list. We will contact you with the information for the meetings.

We have three new businesses interested in coming into Chugwater. One is Greenhouse to sell plants for your yard and house, including vegetable plants for your garden. Another business is an Internet Radio Station that will broadcast nationwide. The third business is a Fabric Store which will carry fabric from many vendors, threads, and sewing supplies.

We are looking for anyone who has exercise equipment they are no longer using as a donation to our Community Center. The executive director of Services for Seniors has removed the exercise equipment from the Community Center and we are in need of permanent equipment.

It amazes me when good things happen to a small community that there are a few who are so against those things that could increase a person's wealth and outlook on life. I hope that our small community can ban together and support each other. Everyone has their own ideas as to what is best, however thru discussions we can come to an idea that could work for the best of the community. We are not all going to agree, and that's okay. If you can't come to the table and be open to ideas of all kinds and respect others opinions then don't sit and backstab those who are trying to do something good. I believe the people of Chugwater are better than this. I would hope there goal would be what is best for Chugwater.

If anyone has questions or concerns or ideas where the town is moving please contact the Town Hall or stop in on Friday mornings for coffee and donuts with the Mayor, everyone is welcome.
