MAIN STREET PROJECT

Main Street Project gave the Town of Chugwater money to purchase three concrete benches. These benches have been custom made by Croell Redi-Mix for us with inscriptions on each in honor of our Founding Fathers, our Veterans and our Fire Department. One will be placed at the Chugwater Museum, one will be placed at Legion Park and one will be placed near the Fire Department in honor of our Fire Department and volunteers.

A thrift shop will be coming to Chugwater this spring. Its new home will be the Business Center at 215 1st Street. If you have items you would like to donate, please contact the Town Hall at 422-3493 with donations. It will also be a consignment shop for gently used items for those who would like to rent a space.
