Remember Father's Day June 15th

Stop by and visit your dad on Father's Day. The gift of your time is the most precious gift you can give.

- Father's Day is the fourth most popular card-sending holiday in the world after Christmas, Valentine's Day, and Mother's Day.
- Ties are the most traditional Father's Day gift throughout the world.

After School Reading Program

Laynie and Cole Goertz, second graders from Libbey Elementary School, shared an afternoon with the residents. The residents were thrilled with their reading skills. Ruth Lock listens to Laynie as she reads to her. Glen Hall enjoyed the story, but the best part of the visit was being with Cole.

Employee of the Month Tiffany Gores

Tiffany Gores was born in Malta Montana on November 2nd. She married her high school sweetheart, Jake Gores. The couple has been married five years. Tiffany has two sons; Cody and Monte. Tiffany has been working at the nursing home in Housekeeping for the past six months. She likes everything about working here, especially the residents. She said “they’re like family.” Tiffany’s main interests revolve around her family. She loves to go camping and traveling. Believe it or not, Bungee Jumping is something she will not pass up! Tiffany is always willing to help the residents and other staff any way she can. Congratulations!

**NH Week
Heritage Day**
Chris Kennedy, Josie Goertz and Dmitriy Mashkaruk show their pride in their heritage by wearing clothing that depicts their nationality.

From the Administrator's Desk

PCMNH Administrator, Shane Filipi accepts the Quality of Excellence Award.

PCMNH received the **Nursing Home Quality Excellence Award** from Mountain-Pacific Quality Health during the Wyoming Health Care Leading Age Wyoming Spring Conference. This is the highest award possible awarded to a long term care facility. All WY long-term care facilities are eligible for the Nursing Home Quality Awards.

The **Nursing Home Quality Excellence Award** recognized Platte County Memorial Nursing Home for strong leadership support for quality and resident safety. The staff show their dedication to the residents and their families by delivering high-quality care.

Each day we get closer to the new facility. On June 3rd the Platte County Hospital District Board will be opening the bids for construction of the new facility. The board will review all bids and make a decision for a general contractor for the construction. Hopefully all will go as planned and ground breaking can start shortly after the general contractor starts. Please feel free to stop by my office if you would like a update on the project. Thank you for all the support, Shane

Happy Birthday
