Community Hero Award goes to Milton Green

Milton Green has won the WAM Association 2014 community hero award. Milt along with his wife Maryanne moved to Chugwater in 1983 and from that moment forward Milt has been an outstanding volunteer. With all the projects Milt has accomplished in Chugwater the most recent is the Stage Stop Art Center stands and shelving, along with Chugwater Park(s) and statues placement for our American Legion Park.

Some of Milt's projects have been the wood message bulletin boards located at the Town Hall, Post office, and the Community Center, the wooden gateways into the park, 2 wooden flower beds, gazebo park bench, podium for the Community Center's church service, and he made the newest elected mayor her very own gavel. All of these projects he does without any plans.

Milt also placed the donated statues for our American Legion Park. What makes his volunteer work so outstanding is that he will be 81 years old in June. Milt continues to be an award winning resident, a helpful neighbor, and a cherished man.

We thank you Milt Green for all your help and volunteer work for our community!!!
