

This Month's Featured Business

THE QUILT WHISPERER

The Quilt Whisperer was founded by Mary Ann Stinnette in 2014. Mary Ann got her start in quilting in 2010 when her late mother Betty Coulter got her started and now it is an addiction.

In 2019 Steven Stinnette joined his wife in the longarm quilting world. We do computerized longarm quilting. We are located at 213 4th Street in Chugwater, WY but looking to move to a larger location.

We can quilt anything from a small project to a very large quilt. We also make quilts to order.

In 2021 we added embroidery to our qualifications. We can embroider caps to jackets and much more.

I have since started to teach longarm quilting and now teaching embroidery work as well.

You can find us on Facebook at <https://www.facebook.com/TheQuiltWhisperers>. You can call 307-322-6098 for any requests or to place an order.
