

Chugwater Fire Protection District

Chugwater Fire Protection District expanded their fleet by purchasing another tender. This tender is 1992 Ford L8000 Tanker and came from BlackDog Fire Department out of Oklahoma. This will be a great asset to the Fire District. Thank you to the residents we serve in Platte, Laramie and Goshen Counties. We operate on Mill Levy and Donations and we appreciate all your support.

TOWN OF CHUGWATER

A Message from your Mayor

Dear Chugwater Community,

As I contemplate the last 30 years of service to Chugwater either as a concerned Citizen or through the Ownership of the Soda Fountain, the Operating of the Buffalo Grill, as a Town Council Member or Mayor, I recognize how much Change there has been in Our Community, Our County, Our State and Our Nation from the 90's to now.

It is time for a fresh perspective and different approaches to the challenges that will remain the same. How to provide required services to Chugwater, how to identify and encourage appropriate growth and how to maintain a feeling of Community and Well Being.

I congratulate and commend the newly Elected Leaders for stepping up and taking on the role of Community Leader. In support of their commitment, I will be leaving behind as much information as possible and have begun including them in emails that will help them get a jump start on the tasks ahead.

Your part will be to support them in a positive way. To stop all the snipping on social media and asking them in a constructive way, "How can I help?"

Personally, I will leave things as best as they can be. There will always be projects that will continue beyond my time and the new Leadership will put their spin on it and finish as needed.

I will be enjoying travel, gardening, family times and enjoying various activities as a volunteer on an as needed basis.

Happy Holidays and Best Wishes to all.

Carol Ash
