

This Month's Featured Business

STAMPEDE SALOON & EATERY

After 37 years on the road playing music all over the western United States, Alaska and Canada, Lance and Lilly Nilson decided they would like to come home. They contacted Mer and Margie Nilson, Lance's parents, and the four of them purchased and opened the Stampede Saloon and Eatery New Year's Eve 2017.

A lot of hard work, but a fun trip learning the ins and outs of the bar and restaurant business. It was a great opportunity to try ideas that Lance and Lilly had developed over the years. It was obvious that a tremendous amount of talent was available in a relatively local area and every Friday and Saturday night this talent is presented on stage at the Stampede. Various musicians wanted the opportunity to assemble and play together, so a Thursday night acoustic jam session was initiated which is great fun with a wide variety of music. Karaoke contests, Song Writing contests and even Sock Hops are occasional features. And a Buffet is available on special occasions.

A new Stampede offering is a 4 piece chicken dinner every Thursday evening beginning at 5:30. Response to these dinners has been great. You need to call ahead before 1:00 PM and reserve your order because a limited number of dinners is available.

Visit the Stampede anytime for great food.
