422-3430 before 9:30 if you plan
on lunch

This helps Tammy plan her
daily meals.

Monthly menus can be picked up
at the

Community Center

Call Tammy 307-422-3430

To the Townspeople of Chugwater

If you don't yet know me, my name is Joshua Hopkins and I am serving a four-year term as your Mayor. I am humbled at the opportunity to serve the people of our Town and work my hardest to make Chugwater the best it can be.

A little about me; I work a 40-hour a week remote job from my home as a Senior Data Engineer for MD Anderson Cancer Center located in Houston, Texas. I have about a decade of experience in this field and look forward to bringing an analytical approach to the budget, as well as other operational aspects of the Town. Many of you will notice I always carry a camera around with me as well. I hold a Bachelors Degree in Fine Art Photography from Temple University in Pennsylvania, and photography has been my personal passion since my Junior year of High School, about 18 years ago. I like to make pictures of life in America and specifically the West where we live as a reflection of my deep respect and interest in the rich tapestry of American culture. I have traveled to all 50 states to see and experience everything I can about our great country and make pictures along the way as well as bring some insight back to our town about things that do and don't work in other places. In addition to being Partner in the Tri-County Mercantile, I also own the new Arena on First Street, which I am working on developing to be fully functional and available for use year round for rodeos as well as public use to train or ride horses. As Mayor, I would like to see Chugwater strengthen its small town Agricultural heritage and feel and become more of a place families and individuals can live and feel a sense of community and closeness. I am excited and encouraged by our potential and look forward to serving you!

Your Mayor,
Josh Hopkins

Dean Webster	307-331-9897
Mike Kelley	307-331-4642

Applications will be accepted through
March 7, 2025

Applications are also available at the Town Hall

Disposal of Household Items

There has been dumping of household items in the alley behind the Town Shop. These items have not and will not be picked up by TDS. This is prohibited by both TDS and the Town of Chugwater. The Town provides Roll-offs designated for household items and other things that are not allowed in the dumpsters during Spring Clean Up Days. We will post Spring Clean Up days so residents can plan their disposal during that time. Please do not dispose of those large items in the alley any longer. We are monitoring this closely as now the burden is now on the Town to handle this issue. Thank you for your help and support. Clean up days are coming!

Community Center News

Tammy Hartung has been hired as the Public Buildings and Events Manager. She will be in charge of not only cleaning the facilities, but organizing events and managing rentals. There will be lots of fun activities planned for the Community. If you have any ideas please let her know. As a reminder, there is a Wyoming Food Bank set up at the Community Center. Please feel free to use what you can as it is replenished for us. More information, such as a good contact number for Tammy, hours she will be open and planned events will be posted as well.

Thank you, Tammy, for taking on this endeavor.
